

APUNTES : El Pretérito

Make your own study sheet to include all of the preterit verb groups and irregular patterns.

1. Regular verbs. Write endings for regular -ar, -er and -ir verbs.

Give an example for each:

2. What happens to verbs that end in -car, -gar and -zar?

Give an example of each:

3. Give 4 examples of i→y verbs

4. What are the "FU" verbs? Write their forms.

5. Give the forms for dar and ver. Why are these verbs often presented together?

6. Verbos Irregulares:

The “i” group:

roots:

endings:

The “u” group:

roots:

endings:

The “j” group

roots:

endings:

7. Boot verbs. Give 3 examples of -ar and -er boot verbs. Do they have stem changes in the preterite?

What happens to the -ir boot verbs in the preterite? These are the “verbos feos.” Make a list of at least 10 verbos feos and show how and where they **do** have a stem change in the preterite.

¡Felicitaciones! You are now an expert on the preterite verb forms! (If not, keep studying!!!) ;)
